

# KBJ01 Magnifier

## Features

1. Ultra-short optical system, smaller size
2. Made of Aluminum alloy, higher strength
3. Flip-to-the-side design

## Structure

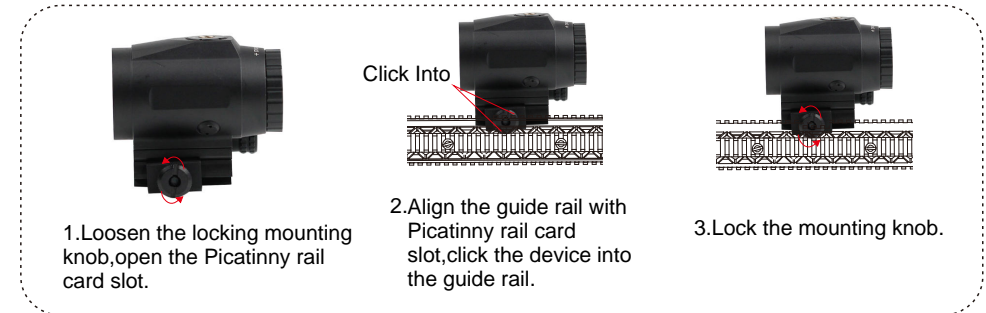

## Specification

KBJ01	
Magnification	3X
Field of View	8°
Parallax	1'
Diopter Adjustment Range	+2 ~ -5D
Material	Aviation Aluminum Alloy
Dimension	70(L)*61(W)*51(H) /mm
Weight	241g
Exit Pupil Dia.	6.3mm
Exit Pupil Distance	60mm
Adjustment Range	±45MOA
Impact Resistance	1000G
Working Temp.	-40°C ~ +65°C
Storage Temp.	-45°C ~ +70°C
Water Resistant	IP67

## Delivery Sets

- ☒ KBJ01   ☒ Cleaning Cloth   ☒ User Manual   ☒ Plastic Protective Case

## Mounting

## Operation

### W/E Adjustment:

The magnifier is installed on the Picatinny rail, and the front holographic or red dot sight should be in the center of the field of view. If it is not in the center of the field of view, you can adjust windage and elevation.

### DIOPTR ADJUSTABLE :

After the sight is installed in place, the shooter can adjust the diopter according to the condition of his eyes. For myopia, turn the diopter adjustment handwheel to the right, and for presbyopic eyes, turn the diopter adjustment handwheel to the left.

### Flip to the side :

The shooter can flip and reset the scope by manually pulling the scope. As shown below:

### Maintain:

If there is any dirt on the outer surface of the magnifier, including the lens, it can be cleaned with a cloth dipped in water, soapy water, alcohol, etc. Note that when cleaning the lens, you should first use a brush and other tools to clean up large particles, and then perform fine wiping to avoid scratches on the glass.

## After-Sales

1. This product provides 1-year free warranty service, and product damage caused by human causes is not within the scope of warranty service.
2. It is strictly forbidden to modify or repair by yourself, to prevent product damage caused by improper assembly and affect the normal warranty of the product.
3. When the product is sent for repair, please use the original packaging material or other suitable materials (such as carton, bubble bag, etc.) to wrap it well to avoid damage during transportation. Product consumables, gifts and packaging materials are not covered by the warranty.
